

'Moss' Recycled Bag – 30 Liter

SKU: 83058-STD

Moss is a compact weekend bag made primarily from retired helicopter survival suits from Hansen Protection AS, giving high-performance materials a second life. Durable and water-repellent, it features a waterproof zipper and reflective details to help protect your belongings from rain and sea spray. Please note: while the material is water-repellent, the bag is not fully waterproof as the seams are not sealed.

Product Info

Volum	30 dm3
