

Detachable Buoyancy Foam

SKU: 22064-STD

Detachable buoyancy foam for SeaWind Boat Crew, Inspector and FireFighter suits

Detachable buoyancy foam for SeaWind Boat Crew, Inspector and FireFighter suits
To be fitted in back of suit.
Made of foam with closed cells.
If mounted, the foam will ensure a correct floating position in accordance with Solas' LSA-regulation for AES-suits without use of separate lifejacket. See the suit's DDP.
