

Crewfit 180N Pro Auto

SKU: Crewfit-180N-Pro-Auto

A low profile, flexible, lightweight lifejacket that packs a punch when it comes to protection in the water. The most versatile inshore lifejacket designed for everyday boating. Engineered for all-day wear, the Crewfit 180N Pro is a radically compact lifejacket which is quick to don and packed full of safety features including the EXOLOK.

An everyday boating lifejacket designed using 3D technology to radically increase comfort levels. Successful integration of a high volume 3D shaped bladder design, a peninsula chin support and increased buoyancy to 180N provides you with maximum in water performance.

The Crewfit 180N Pro wraps all of these safety features into a stylish, 3D shaped and super comfy cover.

Key features

- The fusion 3D construction ensures an ergonomic shape for comfort and freedom of movement
- Firing head access zip to check status of firing capsule and cylinder
- EXOLOK provides a clear indication if the cylinder moves, becomes unscrewed or is tampered with
- Designed with a Peninsular Chin support, to keep your airway well clear of the water whatever the conditions
- Built in Crewsaver Surface Light (CSL) to help attract attention when inflated, light activated automatically on contact with water and can be activated manually if needed
- Soft loop D-ring for attaching safety harness (with harness option)
- With crotch strap and lifting becket
- Quick Burst Zipper for safe inflation
- Robust outer cover for durability
- Twin, forward pull side waist adjusters
- ISO 12402-3 (150N) approved but with superior buoyancy (180N) for a higher floating position in the water
